COVER: 'SEDONA,' JACKSON & PERKINS 2010 ROSE OF THE YEAR

San Gabriel Nursery & Florist Roses . . .

For over 80 years, we have striven to carry only the highest quality of plant material as reflected in our Grade No. 1 roses. All of our bareroot roses are planted immediately upon shipment in bio-degradable pulp containers which are ready to plant upon your selection. After many years of handling bareroot roses, we have found that planting the roses in these containers leads to greater customer success in growing stronger and healthier roses.

Order Early! For the best selection . . .

While we usually order plenty of the more popular roses, we may have limited quantities of the lesser known varieties. This list was prepared in accordance to the confirmations prepared by the growers, and our availability may be subject to change.

San Gabriel Nursery & Florist Presents
Our 2010 Selection of Premium Quality Grade No. 1
Bareroot Roses in over 400 varieties from
Jackson & Perkins, Meiland Star Roses, and Weeks Roses
